## City of Franklin Announces Locations for Christmas Tree Drop-Offs

*Residents have two options for disposing of live trees.*

**Franklin, TN** – After the Holidays, residents will have two options for discarding live Christmas Trees.

*Option one:* Trees left at the curb will be collected by our Solid Waste Department. These trees must be unbagged and will be picked up on your regularly-scheduled trash collection day.

*Option two:* drop the tree off at one of three designated City Park locations throughout the month of January. The locations are *Jim Warren Park* (705 Boyd Mill Avenue); *Liberty Park* (2080 Turning Wheel Lane); and *Fieldstone Park* (1377 Hillsboro Road). Drop-off points at these locations will be clearly marked with green, wooden cut-out trees.

Whichever option residents choose, the trees must be FREE of all ornaments, tinsel, lights, and other materials. Trees will be sent through the City's grinder and recycled with some wood chips being used at the Disc Golf Course at Liberty Park and the rest being used as compost throughout the City.

For more information, please call the City's Solid Waste Department at 794-1516.
